

University : Alnoor University
Country : Mosul / Iraq
Web Address: <https://alnoor.edu.iq/>

SDG1: No poverty

1.4.1 - Does your university as a body provide assistance in the local community supporting the start-up of financially and socially sustainable businesses through relevant education or resources? (e.g. mentorship programmes, training workshops, access to university facilities)?

As part of our responsibility towards our society and the success of small local businesses, Alnoor University has given advice and mentorship to numerous small business owners. This assistance was provided as giving solutions to production issues, administrative facilitations and feasibility studies.

Alnoor University has provide assistance in the local community supporting the start-up of financially and socially sustainable businesses through mentorship programmes, training workshops, access to university facilities. Alnoor University has established 2 start up projects that help to suport start ups in the city.

Project Name: Betna Foundation for Culture, Arts, and Heritage

Project Establishment Date: 2018

Institution Registration Number: 1b2107038

Type of Product or Service Provided by the Institution:

Cultural, artistic, and heritage activities, working to revive the local heritage of the city of Mosul, and raising awareness among new generations about the importance of caring for heritage. The institution organizes cultural and heritage activities, workshops, and exhibitions, and arranges tours and visits to heritage sites. Additionally, the institution hosts a large annual festival to celebrate Mosul's heritage and is also responsible for overseeing the UN's International Peace Festival. Also we provide many educational workshops and lectures to suport start ups in the city.

The other project that Alnoor university has:

Project Name: Mosul Heritage Museum

Project Establishment Date: 2022

Institution Registration Number: 18

Type of Product or Service Provided by the Institution:

Displaying artifacts, manuscripts, and antiques from the city of Mosul, offering explanations to visitors, and welcoming tourists, visitors, and school students for tours within the museum. It is considered the first private museum in the city of Mosul.
