SDG1: No poverty

1.4.4 - Does your university as a body participate in policy making at local, regional, national and/or global level to implement programmes and policies to end poverty in all its dimensions?

the university acts on the education front to eradicate poverty. By providing different financial aids and scholarships, the university aims to improve the conditions of low-income families as well as physically and mentally challenged students; it provides low-income families with the chance, based on education, to eliminate their poverty at the local, regional, and national fronts.

Al-Noor University College has been held a meeting of the committee supervising on the conference of scientific communication and strengthening cooperation mechanisms between local government, universities and non-governmental organizations in Nineveh Governorate. The conference will be held under the auspices of the Parliamentary Higher Education Committee and with the support and participation of Al-Noor University College, in cooperation with the Nineveh Center for Consultation and Researches, Mosul University and the Iraqi Academics Union/ Nineveh Branch .

The meeting is attended by representatives of Mosul University ,Nineveh, University, the Northern Technical University, Al-Hamdaniya University, Tal Afar University, the Open Educational College, Al-Noor University College, and the Nineveh Center for Consultation and Researches.

The meeting includes preparation for the conference to be held in 28 of May in 2023 and discuss the themes of the conference.

This conference aims to:

1. Raising the level of cooperation and coordination to achieve practical integration between public and private universities and local government in Nineveh Governorate.
2. Universities' contribution to drawing up general policies and strategies and meeting the needs of development plans in the various government sectors in Nineveh Governorate .
3. Universities' contribution to promoting peace-building, social cohesion, renunciation of violence, and community integration to achieve lasting and long-term peace in Nineveh Governorate

The conference will be an important event in Nineveh Governorate. It will reinforce building bridges of cooperation, coordination and participation between the local government, Universities, Educational institutions and non-governmental organizations with the aim of community development and service.

As part of the early preparation for the first global educational security conference, which is held in cooperation between Al-Noor University College, the University of Mosul, and the UNESCO Chair, a meeting took place between representatives of Al-Noor University College and representatives of the University of Mosul, who are members of the preparatory committee, in a meeting hosted by Al-Noor College, in which the financial mechanisms for the details of the conference were approved and organized, including travel, transportation, accommodation, and hospitality, along with specifying a number of details and entrusting them to those concerned with conducting them.

The Quality Assurance Department at Al-Noor University held an introductory consultative meeting, chaired by Dr. Ismail Abdul Wahab. The meeting focused on the topic of institutional accreditation, where the roles and responsibilities of the Quality Assurance divisions, units, and other departments within the university were discussed in detail. The discussion centered on ensuring alignment with the Ministry's directives and meeting the necessary requirements to guarantee the highest quality of work and enhance university performance to its optimal levels.
