Mosul city has many local markets. People buy local, fresh and nutritious food from these places. Souq Bab Altoob is an international attraction market which is located in Mosul city. This Bazaar supplies fresh food, fruits, dry fruits and other edible items, collected from local farmers and agriculture -producers.

Alnoor University is making special ice-cream (Azbari) that is local and all the materials are used from local and sustainable resources.

All the things are needed in the University are purchased of products from local, sustainable sources.
