SDG11: Sustainable Cities and Communities

11.4.2 - Does your university as a body undertake actions to promote the % of more sustainable commuting (e.g. provision of free or subsidised buses or shared transport schemes, provision of bicycle parking & storage facilities, provision of cycle tracks, a bicycle and pedestrian plan or policy, bicycle sharing programme, free or reduced price transit passes, car/van pool or ride sharing programme, reduced parking fees or preferential parking for carpool or vanpool users, car sharing programme, provision of electric vehicle recharging stations, preferred parking for fuel-efficient vehicles)?

Shuttle Services (Alnoor University, Iraq)

Alnoor University provides 33 buses to transport students, staff, and employees from their Residential quarters to the University campus. These buses run through different local towns of Mosul city, Talkife, Hamdania, and bashiqa to the campus. These shuttles are special for Alnoor students, staff and employees. For staff and employees they are transported by Alnoor shuttles for free, and for student it is only 0.5 dollar which is very simple and easy for students to pay it. It is cheaper than the local private shuttles that run by the government.
