Sustainable Development Goals

Partnerships For The Goals

PARTNERSHIPS FOR THE GOALS

The world today is more interconnected than ever before. Improving access to technology and knowledge is a crucial way to exchange ideas and foster innovation. Additionally, coordinating policies to help developing countries manage their debts, as well as encouraging investment in the least developed countries, is vital for achieving growth and sustainable development.

College of Engineering

A high-level academic delegation from the University of Technology visited Alnoor University. During the visit, a twinship and bilateral cooperation agreement was signed between the Electromechanical Engineering College at the University of Technology and the College of Engineering at Alnoor University. The agreement was signed on behalf of the University of Technology by Assistant Professor Dr. Ghassan Abdul Hussein Bilal, Dean of the Electromechanical Engineering College, and on behalf of Alnoor University by Professor Dr. Saad Ali Hassan Al-Taan, Dean of the College of Engineering at Alnoor University. The signing ceremony was attended by Assistant Professor Dr. Ahmed Hamid Rujah, Head of the Department of Unmanned Aerial Systems, and Assistant Professor Dr. Amir Abdul Jaduah, Head of the Department of Energies and Renewable Energy.
