17 PARTNERSHIPS FOR THE GOALS

The world today is more interconnected than ever before. Improving access to technology and knowledge is a crucial way to exchange ideas and foster innovation. Additionally, coordinating policies to help developing countries manage their debts, as well as encouraging investment in the least developed countries, is vital for achieving growth and sustainable development.

Partnerships For The Goals

As part of the academies' openness to research institutions, a Memorandum of Understanding was signed between Alnoor University and the Mosul Center for Strategic and Future Studies. The memorandum included strengthening scientific, research, and cultural cooperation between the two parties, enhancing academic and research development in conducting studies and completing joint projects.
