17 PARTNERSHIPS FOR THE GOALS

The world today is more interconnected than ever before. Improving access to technology and knowledge is a crucial way to exchange ideas and foster innovation. Additionally, coordinating policies to help developing countries manage their debts, as well as encouraging investment in the least developed countries, is vital for achieving growth and sustainable development.

Partnerships For The Goals

In order to enhance the postgraduate studies initiated by Alnoor University through the Engineering Management specialization and to affirm its effectiveness, the university, represented by Assistant Professor Dr. Ismail Abdul Wahab, Assistant President for Scientific Affairs, signed a Memorandum of Understanding with UTP Petronas University in Malaysia. One of the key points of this agreement is the activation of hosted postgraduate studies at Alnoor University under the Master's program in Engineering Management. Additionally, Alnoor University met with a representative from the QS Ranking Organization to discuss areas of collaboration and explore opportunities to strengthen the university's position within this important global ranking.
