

Sustainable Development Goals

Quality Education

4 QUALITY EDUCATION

Access to education can enhance quality of life and prepare future leaders who will find solutions to global challenges. Providing education to children in technical, vocational, and entrepreneurial skills will serve as a foundation for sustainable development through scholarships and educational facilities, as well as eliminating gender disparities in access to education.

Quality Education

College of Engineering

Dariwish Rasho Dariwish, a student at Alnoor University and a participant in the Iraqi Universities Debate Championship, achieved an outstanding result, ranking among the top ten speakers across all university debaters in Iraq. His distinction came after an exceptional performance in the Nineveh and Northern Region debate qualifiers. Additionally, Alnoor University was awarded the Leadership Shield as the official sponsor of the Iraqi Universities Debate Championship and the host of the Nineveh and Northern Region competitions. The shield was received on behalf of the university by Saad Salih Diyab, a faculty member at the College of Engineering. Notably, Alnoor University's debate team won the title of "Champion of Nineveh Universities", representing Nineveh in the Northern Region qualifiers as the provincial champion, competing against universities from Kirkuk, Salahuddin, and Anbar. The championship, organized by the International Academy for Leadership and Development (IALD), was sponsored by Alnoor University, hosted by the University of Technology, and supervised by the Ministry of Higher Education and Scientific Research.
