Sustainable Cities and Communities

11 SUSTAINABLE CITIES AND COMMUNITIES

Cities are hubs for ideas, trade, culture, science, production, social development, and other human activities. They play a crucial role in enabling people to achieve social and economic advancement. It is essential to mobilize support to ensure that policymakers are convinced of the need to include access to information in national and regional development plans.

As part of Alnoor University's students' participation in activities involving Iraqi university students, Alnoor University students took part in the "Alnoor Quranic" competition for Iraqi universities, held at the University of Basrah. They recited verses from the Holy Quran, and the university team was honored in the beloved land of Basrah.
