## Sustainable Cities and Communities

### 11 SUSTAINABLE CITIES AND COMMUNITIES

Cities are hubs for ideas, trade, culture, science, production, social development, and other human activities. They play a crucial role in enabling people to achieve social and economic advancement. It is essential to mobilize support to ensure that policymakers are convinced of the need to include access to information in national and regional development plans.

### College of Education

The faculty members of Alnoor University are actively present in the cultural movement of Iraq's Nineveh through their names and creative contributions in daily life. Three faculty members from the College of Education participated in a literary evening at the Dr. Faisal Dabboub Cultural Forum, which featured a dialogue session blending poetry and storytelling. Dr. Haider Mahmoud Abdulrazzaq, Head of the Arabic Language Department at the College of Education, recited several of his poems written over the years of his poetic journey. Professor Dr. Ghanem Saeed Hassan, a faculty member in the Arabic Language Department, presented a critical analysis of the stories of Mohammed Sami Abdulkarim. Meanwhile, Professor Dr. Abdullah Al-Zahir, also from the Arabic Language Department, shared his memories and experiences with poetry.
