11 SUSTAINABLE CITIES AND COMMUNITIES

Cities are hubs for ideas, trade, culture, science, production, social development, and other human activities. They play a crucial role in enabling people to achieve social and economic advancement. It is essential to mobilize support to ensure that policymakers are convinced of the need to include access to information in national and regional development plans.

College of Education

Assistant Lecturer Zaid Saleh, a faculty member in the Department of Arabic Language at the College of Education, Alnoor University, participated in the second session of the *Qaddah Al-She'r* Festival. This poetry festival is organized by the Union of Writers and Authors in Diyala for young poets, where one poet from each province is selected to participate by reciting poems from their creative works. At the conclusion of the festival, he was awarded a certificate of appreciation, presented to him by the renowned Iraqi poet Ghazay Dera' Al-Taie.
