11 SUSTAINABLE CITIES AND COMMUNITIES

Cities are hubs for ideas, trade, culture, science, production, social development, and other human activities. They play a crucial role in enabling people to achieve social and economic advancement. It is essential to mobilize support to ensure that policymakers are convinced of the need to include access to information in national and regional development plans.

The Women's Affairs Division at the Presidency of Alnoor University organized a seminar titled "Aligning Teaching Methods with Contemporary Developments" under the supervision of Dr. Walaa Abdulwahid Al-Jawadi. The seminar featured a lecture by Dr. Sajida Sharif Hussein titled "Family Upbringing and the Role of Women in Preparing Generations through Modern Education and Its Adaptation to New Developments." Additionally, the Women's Affairs Unit at the College of Education held a scientific seminar on "Challenges Facing Women in Society and How to Overcome Them." The event was supervised by Assistant Lecturer Reem Anwar Mohammed Sheet, who delivered the first lecture titled "Obstacles to Women's Empowerment in Society." This was followed by a lecture from Assistant Lecturer Sarah Mohammed Abdulrazzaq on "Social Traditions and Norms."
