Partnerships For The Goals

17 PARTNERSHIPS FOR THE GOALS

The world today is more interconnected than ever before. Improving access to technology and knowledge is a crucial way to exchange ideas and foster innovation. Additionally, coordinating policies to help developing countries manage their debts, as well as encouraging investment in the least developed countries, is vital for achieving growth and sustainable development.

Partnerships For The Goals

College of Technical Management

Alnoor University participated in the 60th scientific symposium held by the Regional Studies Center at the University of Mosul under the title: *"Iraq and the International Development Road: Political, Economic, and Strategic Importance."* Assistant Professor Dr. Noufal Qasim Ali Al-Shahwan, a faculty member in the Accounting Techniques Department at the College of Technical Management at Alnoor University, delivered a lecture during the opening session titled: *"The Development Road: From the Submerged Tunnel to the Geopolitical Trade Clouds in Iraq's Development."*
