17 PARTNERSHIPS FOR THE GOALS

The world today is more interconnected than ever before. Improving access to technology and knowledge is a crucial way to exchange ideas and foster innovation. Additionally, coordinating policies to help developing countries manage their debts, as well as encouraging investment in the least developed countries, is vital for achieving growth and sustainable development.

Partnerships For The Goals

The cycling team of Al-Hadba Sports Club, which secured third place in the Iraqi competitions, visited Alnoor University. The team met with the University President, Professor Dr. Yaseen Taha Al-Hajjar, in his office. During the meeting, the club's athletes expressed their gratitude and appreciation to Alnoor University for its great support. As a token of their appreciation, they presented the championship shield and certificate to the university, which were received by the University President. The discussion also touched on strengthening the relationship between the university and the club to achieve greater results for the athletes, reflecting a positive image of the city.
