17 PARTNERSHIPS FOR THE GOALS

The world today is more interconnected than ever before. Improving access to technology and knowledge is a crucial way to exchange ideas and foster innovation. Additionally, coordinating policies to help developing countries manage their debts, as well as encouraging investment in the least developed countries, is vital for achieving growth and sustainable development.

College of Dentistry

Two faculty members from Alnoor University participated in the dissertation defense committee of PhD candidate Abdul Rahman Ibrahim Ali Saleh for his thesis submitted to the College of Dentistry at the University of Mosul, titled: "The Effect of Assisted Electromagnetic Field and Low-Level Laser on the Rate of Orthodontic Tooth Movement: An Animal Study." The defense committee was chaired by Professor Dr. Ria Jassim Mohammed, a faculty member at the College of Dentistry at Alnoor University, while Professor Dr. Neam Fakhri Yassin, also from the same college, joined as a committee member. At the end of the defense, Dr. Rayan Salem, Dean of the College of Dentistry at the University of Mosul, presented certificates of appreciation to the two faculty members in recognition of their efforts.
