Sustainable Cities and Communities

11 SUSTAINABLE CITIES AND COMMUNITIES

Cities are hubs for ideas, trade, culture, science, production, social development, and other human activities. They play a crucial role in enabling people to achieve social and economic advancement. It is essential to mobilize support to ensure that policymakers are convinced of the need to include access to information in national and regional development plans.

College of Education

In the presence of Professor Dr. Yassin Taha Al-Hajjar, University President, and Professor Dr. Khazaal Fathi Zidan, Dean of the College of Education at Alnoor University, the university, through the Department of Arabic Language in the College of Education and in cooperation with the Student Activities Department at the university presidency, organized the finals of the Ramadan Student Competition for the memorization of *Surat Al-Kahf* over two days. The university conducted rounds of memorization competitions for various Surahs and verses from the Holy Quran, concluding with the final results. A ceremony was then held to honor the winners, during which awards, shields, and certificates were distributed to the organizing committee and the winning students.
