## Sustainable Cities and Communities

### 11 SUSTAINABLE CITIES AND COMMUNITIES

Cities are hubs for ideas, trade, culture, science, production, social development, and other human activities. They play a crucial role in enabling people to achieve social and economic advancement. It is essential to mobilize support to ensure that policymakers are convinced of the need to include access to information in national and regional development plans.

### College of Law

Professor Dr. Wahid Mahmoud Al-Ibrahimi, President of the University of Mosul, received a delegation from the Representation of the Kurdistan Regional Government in Baghdad, headed by Mr. Bakhtiar Haji, Director General of Relations and Follow-up Affairs at the Representation. The meeting aimed to explore avenues of academic and administrative cooperation between the University of Mosul, Alnoor University, and higher education institutions in the region. The meeting was attended by Assistant Professor Dr. Ahmed Mustafa, Dean of the College of Law at Alnoor University. During the joint discussion, mechanisms were reviewed to facilitate and expedite the processing of student affairs for those from the region studying at the University of Mosul and Alnoor University. These efforts aim to foster a suitable educational environment and strengthen communication and coordination between both sides. The attendees emphasized the importance of continuing such joint meetings to enhance partnership and mutual understanding in academic and administrative fields, positively impacting the academic progress of all Iraqi universities.
