Partnerships For The Goals

17 PARTNERSHIPS FOR THE GOALS

The world today is more interconnected than ever before. Improving access to technology and knowledge is a crucial way to exchange ideas and foster innovation. Additionally, coordinating policies to help developing countries manage their debts, as well as encouraging investment in the least developed countries, is vital for achieving growth and sustainable development.

Partnerships For The Goals

College of Education

Assistant Lecturer Ahed Talal Salim Al-Khalidi, a faculty member in the Department of Arabic Language at the College of Education, Alnoor University, delivered a lecture during the scientific workshop titled *"Forensic Linguistics: A Legal and Linguistic Approach."* The workshop was organized by the Department of Arabic Language in collaboration with the French-Iraqi Cultural Institute, the Iraqi Linguists Association – Nineveh, the Scientific Affairs Division, the College of Education's Continuing Education Unit, and the Peacebuilding Center. The event witnessed a large turnout and featured rigorous academic discussions and interventions.
