17 PARTNERSHIPS FOR THE GOALS

The world today is more interconnected than ever before. Improving access to technology and knowledge is a crucial way to exchange ideas and foster innovation. Additionally, coordinating policies to help developing countries manage their debts, as well as encouraging investment in the least developed countries, is vital for achieving growth and sustainable development.

Partnerships For The Goals

As part of strengthening academic relations between universities, Dr. Bashar Mahmoud Ali, Chairman of the Board of Trustees of Alnoor University, visited the University of Mosul to extend congratulations to the newly appointed deans of its colleges on the occasion of assuming their positions. During the visit, he presented a bouquet of flowers as a token of affection and appreciation, emphasizing the deep bond between the two universities and Alnoor University's commitment to building bridges of cooperation across various scientific and academic fields.
