17 PARTNERSHIPS FOR THE GOALS

The world today is more interconnected than ever before. Improving access to technology and knowledge is a crucial way to exchange ideas and foster innovation. Additionally, coordinating policies to help developing countries manage their debts, as well as encouraging investment in the least developed countries, is vital for achieving growth and sustainable development.

Partnerships For The Goals

As part of strengthening ties between educational institutions and government departments in Nineveh Governorate, and in pursuit of a comprehensive vision where all sectors join forces in the service of Nineveh, a cooperation agreement was signed between Alnoor University and the Nineveh Health Department. A delegation from the Nineveh Health Department, headed by Dr. Radwan Al-Diwaji, Assistant Director General, visited the university and met with Professor Dr. Yaseen Taha Al-Hajjar, President of Alnoor University, in the presence of the university's vice presidents and the deans of the medical and health faculties. The meeting included discussions on expanding the horizons of scientific, practical, and field cooperation. The cooperation agreement was officially signed by Professor Dr. Yaseen Taha Al-Hajjar on behalf of Alnoor University, and by Dr. Radwan Al-Diwaji on behalf of the Nineveh Health Department.
