17 PARTNERSHIPS FOR THE GOALS

The world today is more interconnected than ever before. Improving access to technology and knowledge is a crucial way to exchange ideas and foster innovation. Additionally, coordinating policies to help developing countries manage their debts, as well as encouraging investment in the least developed countries, is vital for achieving growth and sustainable development.

Partnerships For The Goals

As part of the ongoing collaboration between institutions of higher education in Nineveh Governorate, Alnoor University received Assistant Professor Dr. Shatha Hazem Korkis, Dean of the College of Education for Women at the University of Mosul. Dr. Korkis was welcomed by Professor Dr. Yaseen Taha Al-Hajjar, President of Alnoor University, in the presence of Dr. Bashar Mahmoud, Chairman of the Board of Trustees, and Professor Dr. Munir Al-Badrani, the University's Scientific Advisor. The meeting included discussions on strengthening channels of cooperation, exchanging academic expertise, and participating in joint scientific activities. Following the meeting, Dr. Korkis was given a guided tour of the university to gain firsthand insight into its distinctive character and the recent advancements in its academic infrastructure — including state-of-the-art laboratories, equipment, technologies, and procedures.
