4 QUALITY EDUCATION

Access to education can enhance quality of life and prepare future leaders who will find solutions to global challenges. Providing education to children in technical, vocational, and entrepreneurial skills will serve as a foundation for sustainable development through scholarships and educational facilities, as well as eliminating gender disparities in access to education.

College of Arts

The Department of Archaeological Tourism at the College of Arts, Alnoor University, organized an educational field trip for its students to the Old City of Mosul. During the visit, the students toured the historic Al-Nuri Mosque, where they observed its iconic minaret and the recently uncovered ablution facilities. Experts from the Nineveh Antiquities Inspectorate, Mr. Abdullah Al-Obaidi and Mr. Abdulrahman Al-Hajjar, provided detailed explanations about the construction of the mosque's minaret and prayer hall, as well as the ongoing archaeological excavations at the site. The students were accompanied on their academic tour by Dr. Nabeel Nour Al-Din Hussein, Dr. Mohammed Al-Asaad, and Assistant Lecturer Farah Abdullah, faculty members from the Department of Archaeological Tourism.
