4 QUALITY EDUCATION

Access to education can enhance quality of life and prepare future leaders who will find solutions to global challenges. Providing education to children in technical, vocational, and entrepreneurial skills will serve as a foundation for sustainable development through scholarships and educational facilities, as well as eliminating gender disparities in access to education.

Alnoor University, in collaboration with Baytna Foundation for Culture, Arts, and Heritage, organized a training workshop titled "Media Appearance and Public Speaking." The session was led by Dr. Ahmed Al-Jaf, head of Elaf Center for Media Training and Chief of the Media Office of the Iraqi Academics Syndicate. The workshop was presented by Mr. Saqr Al-Zakaria, President of Baytna Foundation, and was attended by a distinguished group of media professionals and students from relevant departments at Alnoor University. In honor of the guest media expert, Dr. Bashar Mahmoud, Chairman of the Board of Trustees at Alnoor University, received him personally. A discussion was held on avenues of collaboration in the media field and on ways to enhance the skills of students in digital media and interior design.
