Sustainable Cities and Communities

11 SUSTAINABLE CITIES AND COMMUNITIES

Cities are hubs for ideas, trade, culture, science, production, social development, and other human activities. They play a crucial role in enabling people to achieve social and economic advancement. It is essential to mobilize support to ensure that policymakers are convinced of the need to include access to information in national and regional development plans.

Alnoor University held its international conference titled *"Future Pathways in Translation and Linguistics: Exploring Emotion, Technology, and Application"* over the course of two days. The event commenced with an opening speech by Prof. Dr. Yaseen Taha Al-Hajjar, President of Alnoor University, followed by a speech from Assistant Prof. Dr. Ismail Abdulwahab, Assistant President for Scientific Affairs, who delivered remarks on behalf of the Preparatory Committee. A promotional video introducing the university in English was then presented. The scientific proceedings began with a keynote speakers' session, followed by a roundtable discussion featuring five prominent figures in academic translation. The conference hosted two researchers from Russia, two from Egypt, and one each from Oman and Canada. A total of 24 research papers were presented during the event.
