### 4 QUALITY EDUCATION

Access to education can enhance quality of life and prepare future leaders who will find solutions to global challenges. Providing education to children in technical, vocational, and entrepreneurial skills will serve as a foundation for sustainable development through scholarships and educational facilities, as well as eliminating gender disparities in access to education.

### College of Engineering

Alnoor University is keen on updating its scientific landscape, including the teaching process, in line with the directives of the Ministry of Higher Education and Scientific Research. As part of this effort, Professor Dr. Taha Hussein Al-Salem, Head of the Petroleum Engineering Department at the College of Engineering at Alnoor University, participated in a training course held at Al-Farabi University in Baghdad on: “Forming the National Evaluator Team for the Quality Assurance of the Bologna Process.”
