Sustainable Cities and Communities

11 SUSTAINABLE CITIES AND COMMUNITIES

Cities are hubs for ideas, trade, culture, science, production, social development, and other human activities. They play a crucial role in enabling people to achieve social and economic advancement. It is essential to mobilize support to ensure that policymakers are convinced of the need to include access to information in national and regional development plans.

College of Law

The Student Activities Department at Alnoor University, in collaboration with the College of Law and the Human Rights Division, organized a cultural awareness campaign through a seminar held for the college's students, faculty members, and administrative staff. The seminar addressed the importance of active participation in the upcoming elections, emphasizing its fundamental role in building a better future for our beloved Iraq. The seminar featured contributions from Assistant Professor Dr. Ahmed Mustafa, Dean of the College of Law; Dr. Amer Al-Hadi, faculty member at the College of Law; and Mr. Qidar Ahmed, Head of the Human Rights Division at the university. The seminar included an explanation of the concept of citizens' political rights and highlighted the significance of exercising the right to vote as a means of positive change and strengthening democracy. It also underscored the role of youth and students in shaping the upcoming phase through their electoral awareness and active participation.
