4 QUALITY EDUCATION

Access to education can enhance quality of life and prepare future leaders who will find solutions to global challenges. Providing education to children in technical, vocational, and entrepreneurial skills will serve as a foundation for sustainable development through scholarships and educational facilities, as well as eliminating gender disparities in access to education.

College of Law

With the start of the summer break, the colleges of Alnoor University finalized their summer training schedules for students. The College of Law coordinated with the Presidency of the Nineveh Court of Appeal to serve as a training field for third-year students residing in Mosul. Additionally, approvals were obtained to allow students residing in the Kurdistan Region to undergo training in courts located near their areas of residence.
