Sustainable Development Goals

Quality Education

Access to education can enhance quality of life and prepare future leaders who will find solutions to global challenges. Providing education to children in technical, vocational, and entrepreneurial skills will serve as a foundation for sustainable development through scholarships and educational facilities, as well as eliminating gender disparities in access to education.

College of Dentistry

The College of Dentistry at Alnoor University held a lecture session accompanied by a workshop, supervised and delivered by Dr. Bashar Abdulghani Tawfiq, a faculty member at the college. The lecture focused on defining the characteristics of a successful dentist, followed by a workshop on jaw CT scans. Dr. Bashar also performed a live dental implant procedure.
