4 QUALITY EDUCATION

Access to education can enhance quality of life and prepare future leaders who will find solutions to global challenges. Providing education to children in technical, vocational, and entrepreneurial skills will serve as a foundation for sustainable development through scholarships and educational facilities, as well as eliminating gender disparities in access to education.

College of Law

Under the supervision and presence of the Dean of the College of Law at Alnoor University, Assistant Professor Dr. Ahmed Mustafa, along with many faculty members and law instructors, a friendly moot court session was held. The session was chaired by Dr. Mohammed Saeed Al-Rahho and included the participation of international trainers Ahmed Saad and Mohammed Mahdi. This event was part of a series of preparatory lectures aimed at enhancing students' organizational skills and improving their legal drafting abilities. The initiative seeks to refine performance and address any shortcomings in order to create a distinguished experience preserved within the halls of the College of Law at Alnoor University through this competition.
