### 4 QUALITY EDUCATION

Access to education can enhance quality of life and prepare future leaders who will find solutions to global challenges. Providing education to children in technical, vocational, and entrepreneurial skills will serve as a foundation for sustainable development through scholarships and educational facilities, as well as eliminating gender disparities in access to education.

### College of Pharmacy

As part of its developmental programs aimed at preparing students for the requirements of the job market, the College of Pharmacy at Alnoor University organized a training workshop titled: *Selling with Ethics: Building Trust in the Pharma World*. The workshop was delivered by Dr. Saif Dhirar Ahmed, in the presence of the Dean of the College, Dr. Omar Qutaiba Al-Layla, along with a number of students interested in pharmaceutical sales and pharmacy media. This workshop is part of a series of scientific activities adopted by the college to enhance students' skills and equip them with professional knowledge that enables them to confidently and distinctively embark on careers in the pharmaceutical field.
