

Sustainable Development Goals

Quality Education

4 QUALITY EDUCATION

Access to education can enhance quality of life and prepare future leaders who will find solutions to global challenges. Providing education to children in technical, vocational, and entrepreneurial skills will serve as a foundation for sustainable development through scholarships and educational facilities, as well as eliminating gender disparities in access to education.

Quality Education

College of Dentistry

In the presence of Professor Dr. Ismail Abdulwahab, Assistant President of Alnoor University for Scientific Affairs, and Professor Dr. Talal Al-Salman, Dean of the College of Dentistry, the Oral Surgery Department at the College of Dentistry held a specialized training workshop titled *"Fundamentals of Suturing in Oral Surgery."* The workshop was conducted and lectured by Dr. Wael Sheet Hussein, who discussed modern methods and fundamental techniques used in intraoral suturing. The session aimed to enhance students' skills and strengthen their clinical competence. The workshop was also attended by Professor Dr. Muneer Al-Badrani, the university's scientific advisor.
