Sustainable Cities and Communities

11 SUSTAINABLE CITIES AND COMMUNITIES

Cities are hubs for ideas, trade, culture, science, production, social development, and other human activities. They play a crucial role in enabling people to achieve social and economic advancement. It is essential to mobilize support to ensure that policymakers are convinced of the need to include access to information in national and regional development plans.

Dr. Bashar Mahmoud Ali, Chairman of the Board of Trustees at Alnoor University, received the President and members of the Lamassu Archaeological Team, along with Prof. Dr. Ismail Abdul Wahab, the University President's Assistant for Scientific Affairs; Asst. Prof. Dr. Mohammed Zuhair Zaidan, Director of the Department of Cultural Relations; and Dr. Nabeel Nour Al-Din Hussein, Director of the Alnoor Heritage Preservation Center. During the meeting, both sides agreed on Alnoor University's support for the team's voluntary and archaeological activities, and emphasized the importance of launching awareness campaigns about the value of heritage and antiquities in Nineveh Province in service of the local community. At the end of the meeting, the Lamassu team presented a bouquet of flowers to Alnoor University in appreciation of the university's efforts in supporting heritage, antiquities, and the community.
