## Sustainable Cities and Communities

### 11 SUSTAINABLE CITIES AND COMMUNITIES

Cities are hubs for ideas, trade, culture, science, production, social development, and other human activities. They play a crucial role in enabling people to achieve social and economic advancement. It is essential to mobilize support to ensure that policymakers are convinced of the need to include access to information in national and regional development plans.

## Sustainable Cities and Communities

The events of the First Justice Marathon and Forum concluded with a public marathon titled “Justice Marathon,” in which more than 250 young participants of various ages took part along the Al-Jawsaq Corniche in the city of Mosul. This community event aimed to promote legal awareness and emphasize the role of youth in upholding the rule of law and building a cohesive society by combining sports with awareness-raising messages. The race was the first of its kind in the city, blending physical activity with legal education in an initiative that highlights the importance of justice as a fundamental social value. Alnoor University participated in the event as one of the official sponsors, reaffirming its ongoing commitment to supporting initiatives that promote legal culture and strengthen the university’s role as an active institution in community development and legal awareness.
