## Sustainable Cities and Communities

### 11 SUSTAINABLE CITIES AND COMMUNITIES

Cities are hubs for ideas, trade, culture, science, production, social development, and other human activities. They play a crucial role in enabling people to achieve social and economic advancement. It is essential to mobilize support to ensure that policymakers are convinced of the need to include access to information in national and regional development plans.

Under the esteemed patronage of His Excellency the Minister of Education, Dr. Ibrahim Namis Al-Jubouri, and with the support of Alnoor University, the General Directorate of Education in Nineveh held an official ceremony to honor a distinguished group of retired educational staff. The event aimed to recognize their significant contributions and dedicated efforts in shaping generations and advancing the educational journey within the province. The ceremony was held under the direct supervision of the Director General of Education in Nineveh, Mr. Mohammed Ibrahim Aboudi, and was attended by Dr. Bashar Mahmoud Ali, Chairman of the Board of Trustees at Alnoor University, along with several official, educational, and academic figures. The atmosphere reflected a deep sense of pride and gratitude for those who dedicated years of sincere service to education. Dr. Bashar Mahmoud Ali emphasized that Alnoor University's support for this ceremony stems from its social responsibility and firm belief in the importance of honoring those who contributed to building individuals and society. He also praised the efforts of the Directorate of Education in Nineveh for organizing this tribute event. This ceremony is part of a series of initiatives through which Alnoor University seeks to build bridges of cooperation with educational institutions and promote a culture of recognition and appreciation for those who have devoted their lives to serving knowledge and education.
