17 PARTNERSHIPS FOR THE GOALS

The world today is more interconnected than ever before. Improving access to technology and knowledge is a crucial way to exchange ideas and foster innovation. Additionally, coordinating policies to help developing countries manage their debts, as well as encouraging investment in the least developed countries, is vital for achieving growth and sustainable development.

Partnerships For The Goals

Alnoor University received a delegation from the Nineveh Provincial Council, including Professors Muhannad Al-Jubouri, Hisham Al-Hashimi, and Ahmed Al-Abed Rabo. They were welcomed by Dr. Bashar Mahmoud Ali, Chairman of the University's Board of Trustees. The meeting featured an extensive discussion about the university's academic journey and its role in scientific and community life, as well as ways to strengthen communication with the city. Following the discussion, the Chairman of the Board of Trustees guided the delegation on a campus tour that included the university's colleges and departments, ongoing development projects, and plans for transitioning to a digital environment. This visit reflects Alnoor University's commitment to enhancing its presence in the hearts of Nineveh's residents and reinforcing the values of communication and cooperation to serve the community.
