Partnerships For The Goals

17 PARTNERSHIPS FOR THE GOALS

The world today is more interconnected than ever before. Improving access to technology and knowledge is a crucial way to exchange ideas and foster innovation. Additionally, coordinating policies to help developing countries manage their debts, as well as encouraging investment in the least developed countries, is vital for achieving growth and sustainable development.

Partnerships For The Goals

Professor Dr. Ismail Abdulwahab, Assistant President of Alnoor University for Scientific Affairs, participated as a member of the examination committee for the doctoral student Raed Ismail Ahmed, who defended his dissertation submitted to the Department of Translation at the College of Arts, University of Mosul, entitled: *A Pragma-Stylistic Assessment of the English Interpretation of Arab Leaders' Speeches in the UN General Assembly*. The study aims to explore the extent to which interpreters are able to convey pragma-stylistic features from the source language to the target language, while highlighting the challenges faced in the translation process of international political discourse.
