

Sustainable Development Goals

Quality Education

4 QUALITY EDUCATION

Access to education can enhance quality of life and prepare future leaders who will find solutions to global challenges. Providing education to children in technical, vocational, and entrepreneurial skills will serve as a foundation for sustainable development through scholarships and educational facilities, as well as eliminating gender disparities in access to education.

Sustainable Development Goals

Quality Education

Alnoor University participated in the National Erasmus+ Info Day, organized by the Ministry of Higher Education and Scientific Research in cooperation with the European Union Delegation in Iraq. The university was represented by its President, Prof. Dr. Yaseen Taha Al-Hajjar, the Vice President for Scientific Affairs, Prof. Dr. Ismail Abdulwahab Ismail, the Director of the Department of Cultural Relations, Asst. Prof. Dr. Mohammed Zuhair Zidan, along with Mr. Mohammed Nizar Aziz, Head of the Erasmus Plus Unit at the university. The event aimed to strengthen academic and research cooperation between Iraqi and European universities, while expanding opportunities for faculty members and students to benefit from international scholarships and programs. The President of Alnoor University emphasized the importance of engaging with global experiences in higher education, stressing the university's continuous efforts to enhance its performance and broaden its participation in joint European projects.
