### 4 QUALITY EDUCATION

Access to education can enhance quality of life and prepare future leaders who will find solutions to global challenges. Providing education to children in technical, vocational, and entrepreneurial skills will serve as a foundation for sustainable development through scholarships and educational facilities, as well as eliminating gender disparities in access to education.

## Quality Education

As part of its efforts to promote awareness of modern academic systems, the Department of Quality Assurance and University Performance at Alnoor University, in cooperation with the University of Nineveh, organized a scientific seminar on the Bologna Process and its applications. The event was supervised by Asst. Prof. Dr. Rasheed Mahmoud Yousif, Director of the Quality Assurance Department at Alnoor University, while the lecture was delivered by Dr. Hudhaifa Luay Mohammed Amin, faculty member at the University of Nineveh. The session covered various aspects of the Bologna Process, highlighting its mechanisms, academic dimensions, and the challenges of implementing it within the Iraqi higher education environment.
