### 4 QUALITY EDUCATION

Access to education can enhance quality of life and prepare future leaders who will find solutions to global challenges. Providing education to children in technical, vocational, and entrepreneurial skills will serve as a foundation for sustainable development through scholarships and educational facilities, as well as eliminating gender disparities in access to education.

Alnoor University participated in the First Conference of Editorial Boards of Iraqi Scientific Journals, organized by the Ministry of Higher Education and Scientific Research under the patronage of His Excellency Minister Dr. Naeem Al-Aboudi. The university was represented by Professor Dr. Muneer Al-Badrani, Scientific Advisor, where the conference discussed mechanisms for developing Iraqi journals and elevating them to the standards of international periodicals, thereby enhancing the standing of Iraqi scientific research. This participation reflects Alnoor University's commitment to supporting rigorous scientific publishing and engaging with national initiatives.
