### 4 QUALITY EDUCATION

Access to education can enhance quality of life and prepare future leaders who will find solutions to global challenges. Providing education to children in technical, vocational, and entrepreneurial skills will serve as a foundation for sustainable development through scholarships and educational facilities, as well as eliminating gender disparities in access to education.

### College of Law

Under the supervision of Assistant Professor Dr. Ahmed Mustafa, Dean of the College of Law at Alnoor University, and as part of the activities of the International Commercial Arbitration Moot, the college celebrated its student team after completing its first arbitration memoranda in preparation for the official pleadings. Dr. Mustafa praised the outstanding role of the team's students and commended the efforts of the international coaches, Ahmed Saad and Mohammed Mahdi, for their continuous guidance and training of the students, which contributed to enhancing their expertise and refining their legal skills. This participation reflects Alnoor University's commitment to providing its students with opportunities to engage with international academic experiences, thereby strengthening its scientific and practical presence in global forums.
