### 4 QUALITY EDUCATION

Access to education can enhance quality of life and prepare future leaders who will find solutions to global challenges. Providing education to children in technical, vocational, and entrepreneurial skills will serve as a foundation for sustainable development through scholarships and educational facilities, as well as eliminating gender disparities in access to education.

### College of Law

In the context of scientific and academic cooperation between law faculties, the Dean of the College of Law and Political Science at Alnoor University, Assistant Professor Dr. Ahmed Mustafa Ali, accompanied by his Scientific Assistant, Dr. Bashar Rasheed, visited the College of Law at the University of Mosul. They were received by the Dean of the College of Law, Professor Dr. Abdulaziz Ramadan Ali, along with the heads of scientific departments and members of the Bologna Process Program Accreditation Committee. During the visit, discussions were held with the college's deanery and a number of its faculty members regarding the mechanisms and requirements for implementing the Bologna Process system. This aims to enhance academic programs and develop curricula in alignment with international standards. This visit is part of the ongoing efforts by the College of Law and Political Science at Alnoor University to strengthen scientific partnerships and exchange expertise, thereby contributing to the quality of higher education and its outcomes.
