4 QUALITY EDUCATION

Access to education can enhance quality of life and prepare future leaders who will find solutions to global challenges. Providing education to children in technical, vocational, and entrepreneurial skills will serve as a foundation for sustainable development through scholarships and educational facilities, as well as eliminating gender disparities in access to education.

Under the patronage of Professor Dr. Yassin Taha Al-Hajjar, President of Alnoor University, the university organized an introductory lecture on the Erasmus+ program guide. The lecture was delivered by Assistant Lecturer Mohammed Nizar Aziz Al-Abbas, responsible for the Erasmus Unit in the Department of Scholarships and Cultural Relations. It aimed to acquaint faculty members, students, and administrative staff with the program's mechanisms and the opportunities it provides for academic exchange at both European and international levels. The event was attended by Professor Dr. Ismail Abdulwahab, the University President's Scientific Assistant, Dr. Wael Al-Nahhas, Dean of the College of Arts, in addition to Professor Dr. Muneer Salem Al-Badrani, the University's Scientific Advisor.
