11 SUSTAINABLE CITIES AND COMMUNITIES

Cities are hubs for ideas, trade, culture, science, production, social development, and other human activities. They play a crucial role in enabling people to achieve social and economic advancement. It is essential to mobilize support to ensure that policymakers are convinced of the need to include access to information in national and regional development plans.

Sustainable Cities and Communities

His Excellency the Prime Minister, Mr. Mohammed Shia' Al-Sudani, paid a visit to the Baytna Cultural Foundation in Mosul, the cultural arm of Alnoor University. During the visit, His Excellency reviewed the institution's activities in preserving Mosul's cultural and heritage legacy and its social diversity, as well as its efforts in documenting archaeological sites across Nineveh Province. The Prime Minister also toured the building of the institution's museum, where he listened to a detailed briefing from the officials on the work mechanisms and the stages of the museum's development—aimed at making it a prominent cultural and tourist destination that enables visitors to explore its collection of documents, manuscripts, and rare heritage pieces. Through its partnership with the Baytna Cultural Foundation, Alnoor University reaffirms its commitment to supporting initiatives dedicated to safeguarding heritage and strengthening the cultural identity of the city of Mosul.
