### 17 PARTNERSHIPS FOR THE GOALS

The world today is more interconnected than ever before. Improving access to technology and knowledge is a crucial way to exchange ideas and foster innovation. Additionally, coordinating policies to help developing countries manage their debts, as well as encouraging investment in the least developed countries, is vital for achieving growth and sustainable development.

## Partnerships For The Goals

A delegation from Alnoor University, headed by Professor Dr. Yaseen Taha Al-Hajjar, President of Alnoor University, visited Nineveh Plains University to extend congratulations and best wishes on the occasion of its transformation from a college to a university and its joining the family of universities in Nineveh Governorate. During the visit, the delegation presented a bouquet of flowers to the university's presidency as an expression of joy and pride in this academic achievement, which represents an important step toward strengthening the educational infrastructure in the governorate and supporting the scientific development of Iraq. In his remarks, the President of Alnoor University emphasized the deep academic ties and collaboration among the universities of Nineveh, noting that Alnoor University places great importance on building bridges of cooperation and exchanging expertise in various scientific and research fields to serve students and the community.
