Partnerships For The Goals

17 PARTNERSHIPS FOR THE GOALS

The world today is more interconnected than ever before. Improving access to technology and knowledge is a crucial way to exchange ideas and foster innovation. Additionally, coordinating policies to help developing countries manage their debts, as well as encouraging investment in the least developed countries, is vital for achieving growth and sustainable development.

Sustainable Development Goals

Partnerships For The Goals

A delegation from Alnoor University, headed by Professor Dr. Yaseen Taha Al-Hajjar, President of the University, visited the Nineveh Health Directorate to extend congratulations to Dr. Dilshad Ali Abdullah, a pharmacist, on his appointment as Director General of the Nineveh Health Department. During the visit, the university delegation presented a bouquet of flowers as a gesture of appreciation and congratulations, wishing him continued success in serving the health sector of the governorate. In his remarks, the President of Alnoor University emphasized the strong collaboration between the university and the Nineveh Health Directorate in the areas of training, capacity building, and scientific research, noting that the university is always keen to strengthen its partnerships with public institutions in ways that benefit its students and the community, and contribute to advancing health and scientific development in Nineveh.
