### 4 QUALITY EDUCATION

Access to education can enhance quality of life and prepare future leaders who will find solutions to global challenges. Providing education to children in technical, vocational, and entrepreneurial skills will serve as a foundation for sustainable development through scholarships and educational facilities, as well as eliminating gender disparities in access to education.

## Quality Education

A delegation from Alnoor University participated in the Iraqi Science Conference, organized by the Ministry of Higher Education and Scientific Research at the University of Baghdad, with wide participation from Iraqi, Arab, and international universities and research institutions. The delegation, including Professor Dr. Yassin Taha Al-Hajjar (President), Professor Dr. Ismail Abdulwahab Ismail (Assistant President for Scientific Affairs), Assistant Professor Dr. Mohammed Zuhair Zidan (Director of Cultural Relations), Professor Dr. Rasheed Mahmoud (Director of the Quality Assurance Department), and Mr. Hossam Nofal Fadel (Head of the Science and Technology Gardens), took part in scientific and discussion sessions addressing higher education, research, innovation, technology, sustainable development, digital transformation, linking research to the labor market, and the role of universities in the knowledge-based economy. The conference, inaugurated by Dr. Naeem Al-Aboudi, Minister of Higher Education, also included international experts and representatives from Times Higher Education, Clarivate, Elsevier, QS, and the Egyptian Knowledge Bank, along with senior academics, university presidents, deans, and diplomatic representatives. During the event, the Alnoor delegation held bilateral meetings to explore scientific and cultural cooperation and exchange expertise in quality assurance, academic accreditation, and student innovation. At the conclusion, Professor Al-Hajjar expressed gratitude for the warm welcome and excellent organization, emphasizing that the university's participation aligns with its strategy to enhance academic presence and expand national and international partnerships in research, innovation, and modern education.
