11 SUSTAINABLE CITIES AND COMMUNITIES

Cities are hubs for ideas, trade, culture, science, production, social development, and other human activities. They play a crucial role in enabling people to achieve social and economic advancement. It is essential to mobilize support to ensure that policymakers are convinced of the need to include access to information in national and regional development plans.

Under the patronage of Alnoor University, and under the direct supervision of the Student Activities Department, in cooperation with the Math Homeland Team, the university hosted the closing ceremony for the Mathematics Champion Competition in Integration Applications.

The event witnessed outstanding participation from students representing various universities in Nineveh.

The results were as follows:

- **First Place: Faisal Ahmed Amer**
- **Second Place: Humam Muthanna Salem**
- **Third Place: Abdulrahman Omar Ahmed**

During the ceremony, the Math Homeland Team presented an honorary shield to Alnoor University in appreciation of its active participation and its continuous commitment to supporting scientific activities that foster student talent, enhance academic excellence, and nurture creativity.
