11 SUSTAINABLE CITIES AND COMMUNITIES

Cities are hubs for ideas, trade, culture, science, production, social development, and other human activities. They play a crucial role in enabling people to achieve social and economic advancement. It is essential to mobilize support to ensure that policymakers are convinced of the need to include access to information in national and regional development plans.

With the support of Alnoor University, the Babel International Foundation for Cultures and Arts is hosting a grand ceremony to honor and celebrate Iraqi pioneers who have excelled in the fields of creativity, science, culture, art, and sports. The event will take place at the Beitna Foundation for Culture, Arts, and Heritage Hall. This ceremony is part of national initiatives that celebrate Iraq's distinguished figures, who have contributed to enriching the cultural and scientific landscape and showcasing Iraqi creativity at both local and international forums. Through its support and sponsorship of this event, Alnoor University affirms its commitment to empowering creative talents, encouraging national competencies across various fields, and enhancing partnerships between academic and cultural institutions to instill the values of knowledge, art, and thought in society. This collaboration reflects the university's vision to be a beacon of knowledge and a pillar of cultural and creative life in Iraq, through initiatives that solidify its academic and cultural presence as an institution that believes creativity is an integral part of its humanitarian and scientific mission.
