Sustainable Cities and Communities

11 SUSTAINABLE CITIES AND COMMUNITIES

Cities are hubs for ideas, trade, culture, science, production, social development, and other human activities. They play a crucial role in enabling people to achieve social and economic advancement. It is essential to mobilize support to ensure that policymakers are convinced of the need to include access to information in national and regional development plans.

Sustainable Cities and Communities

With the participation of Alnoor University, the Alnoor International University Quranic Competition was launched at Al-Ameed University, organized by the Ministry of Higher Education and Scientific Research. The event featured participation from 53 Iraqi and international universities from various countries, including the Islamic Republic of Iran, Lebanon, the Federal Republic of Nigeria, and Tunisia. Alnoor University's participation highlighted its commitment to promoting Quranic culture and fostering spiritual values among students, within a spiritually enriching atmosphere and distinguished competitions in the fields of memorization and recitation. The event was officially attended by the Scientific Quranic Complex at Al-Abbas Holy Shrine, the Presidency of Al-Ameed University, representatives from the Ministry of Higher Education and Scientific Research, and delegates from participating universities, alongside faculty members and students, who praised the competition as a significant addition to academic and religious platforms in Iraq.
