### 17 PARTNERSHIPS FOR THE GOALS

The world today is more interconnected than ever before. Improving access to technology and knowledge is a crucial way to exchange ideas and foster innovation. Additionally, coordinating policies to help developing countries manage their debts, as well as encouraging investment in the least developed countries, is vital for achieving growth and sustainable development.

## Partnerships For The Goals

Prof. Dr. Ismail Abdulwahab, Assistant President of Alnoor University for Scientific Affairs, chaired the master's thesis defense committee of the student Ikhlas Sami Mohammed in the Department of English at the College of Education for Human Sciences, University of Mosul. The thesis was titled: "Investigating the Functions of Code-Switching in Selected Online Discourse: A Sociolinguistic Study." The study examined the linguistic and social functions of code-switching practices in contemporary online discourse. The defense session was attended by several faculty members and researchers, and the committee commended the student's efforts, the value of the research topic, and its importance in the field of sociolinguistics and digital studies.
